# **Executive Summary**

Car Match connects car enthusiasts through a modern community experience that combines build showcases, event discovery, and meaningful conversations. Our topline launch OKRs target 1,000 weekly sessions, 15% visit-to-signup conversion, ≥40% DAU/MAU, and five co-marketing partnerships within the first 10 weeks. The full narrative, metrics rationale, and research sit in <a href=".../core/SE0&MARKETING.MD">.../core/SE0&MARKETING.MD</a> and the long-form plan <a href="CarMatch Marketing SE0 Analytics Plan.md">CarMatch Marketing SE0 Analytics Plan.md</a>.

# **Marketing Plan**

- Audience personas (Builders, Event Seekers, Connectors) and messaging pillars are summarized in the <a href="Channel Playbook">Channel Playbook</a>.
- The phased rollout (Foundation → Soft Launch → Public Launch → Growth → Sustain) with owners and KPIs is detailed in the <u>Go-To-Market Roadmap</u>.
- Creative system, content cadence, and offline activations appear in the comprehensive plan
   <u>CarMatch Marketing SEO Analytics Plan.md</u>

### **SEO Plan**

- Priority keywords map cleanly to core pages via the <u>SEO Keyword Map</u>, covering metadata, content enhancements, and long-tail expansion ideas.
- Technical tasks (sitemaps, structured data, Core Web Vitals) and internal linking guidance live in
   ../core/SE0&MARKETING.MD
   and Section 6 of the full plan.
- Content production workflow and governance are centralized in the same keyword map for easy sprint planning.

## **Analytics Plan**

- Measurement framework, GA4/ Plausible implementation, reporting cadence, and alert thresholds
  are captured in the <u>Analytics Implementation guide</u> and the new <u>Growth Playbook</u>.
- The plan calls for weekly Looker Studio dashboards with experiment logging—see the analytics section of <a href="mailto:CarMatch\_Marketing\_SEO\_Analytics\_Plan.md">CarMatch\_Marketing\_SEO\_Analytics\_Plan.md</a> for full detail.

## **Status Update**

Latest snapshot drawn from the weekly status template:

- **Completed:** Structured the marketing workspace, published keyword plan, and codified analytics instrumentation.
- In Progress: Figma layout for launch materials, GA4 dashboard automation, Mailchimp segmentation.
- Next: Publish flagship blog article, launch referral badge program, and lock club partnerships.
